CAPTAINS NOTES.

Today, I am attaching a happy snap of Targe, sent to me by daughter Amanda. The photo was taken at one of the many and varied events and excursions at the nursing home, (Mooroolbark Manor) and he is being well looked after, good food, glass of wine with evening meal, and plenty of activities to enjoy. He seems to be quite happy with his respite care, as he gradually recovers after his stroke. Anyone who hasn't yet been to visit I recommend if you can, you do. I am sure he would really like a visit from you. The address again is 15 / 19 Baradine road, Mooroolbark, and he is in room 66, in the George's wing.

After today's Par round, all of the winners of this year's trophies will be locked in, and ready for Garry to organize the engraving in time for our Presentation event on 13th December. I note that our allotted starting time is a bit later at **9.13 am**, but I do request, and hope, that, at this busy time of the year, all can stay back for an hour or so after golf for the Trophy presentations, and most importantly our A.G.M, where we all take part in ensuring the ongoing viability of our little Club. Most importantly at the meeting, we do have to ensure that all of the tasks, previously handled by Targe, are taken over by someone in 2027. Food for thought!!

Good golfing today,

Graeme.
